Mobile/Home IV Fee Differs, call to inquire about fees. Dependent on location, event type, number of clients, etc.

Vitamins and other nutrients help our entire system run, forming the building blocks for ATP, your body's natural energy source. In addition to cellular fuel, these nutrients support brain health and cognitive functioning.

**Amino Blend** is a powerful amino acid combo that helps increase cellular energy and helps fuel brain cells.

**Vitamin B12** is the body's main vitamin for energy production, stimulating the ATP production cycle generating cellular fuel.

**CoQ10**, in addition to its benefits on heart health, provides additional natural energy support and mental clarity.

**B-complex** provides essential vitamins that are used in many different pathways in the brain and in generating cellular energy.

This energy IV therapy is great for increasing energy production, relieving brain fog, regulating mood, improving memory and focus, supporting neurotransmitter production, stimulating nerve functioning, and replenishing vital nutrients and electrolytes.
